David Lloyd came in 2<sup>nd</sup>, with Andy Kelley & Amanda Hall in 10<sup>th</sup>, Marco Manganelli & Amanda Jenks 18<sup>th</sup>, Andy McQueen & Dawn Rhodes 20<sup>th</sup>, Simon Dewsbury and daughter Sophia 30<sup>th</sup>. ### Europe Dinghy Europeans in Lake Garda

Well done to Jason & Louise Belben and Jeremy Hartley, who battled with the temperamental Lake winds at the Europeans flying the flag for Stokes Bay. It was a big event with large fleets and tricky conditions!

### ILCA Senior European Championships

Shout out to Charlotte Videlo who travelled to Marstrand in Sweden for the ILCA6 Senior Womens European Championship. In a fleet of 93, including our top British ILCA sailors, Charlotte finished 29<sup>th</sup> in the Silver fleet.

### **And Finally...**

Congratulations to Dan Vincent for coming 1<sup>st</sup> in the Asymmetric fleet at the Chichester Fed week. "I just wanted to see if I can still sail a Musto" said Dan!

On Sunday 17<sup>th</sup> August about 8 Wingfoilers were enjoying the conditions off the club! **Happy Days!**

Congratulations to Sasha for facilitating her first Mental Health Community dip session at Stokes Bay, with 19 attendees. This will be a monthly event throughout the year on 3<sup>rd</sup> Sunday of the month at 0930. Sasha has trained to be a Mental Health Swim facilitator. See more :

Lynda Reed and a group of friends recently paddled 15k along the Llangollen Canal. A challenging paddle taking in 2 long tunnels and 2 aqueducts, one being the Pontcysyllte, the highest in the world at 38 metres! An amazing bucket list adventure - if a little scary!

## Stokes Bay is supporting BART'S BASH Sunday 14<sup>th</sup> September!

We would love to see as many members as possible come along and join in the activities. Can we have or exceed 100 participants on the day??

Whether you are a sailor, social member, kayaker, swimmer, wing-foiler, wind-surfer or paddleboarder, we would love to see you there!

Whilst we depend on the weather being kind, plans may have to be adjusted to suit activities. We are hoping to offer a kayak/paddleboard/swim activity before dinghy racing and maybe something for the wing foilers/windsurfers.

Activities and timings TBC – please look out for further information in the coming weeks!

### To all members with berths in the compound:

Please continue to maintain your berth throughout the season. Tidy berths help keep the club looking smart and keeps invasive weeds out of other berths. Thank you!

The planning is well under way for our Autumn/Winter Social program. If you would like to be involved with the planning of these or other events, please contact [Lyndareed.socialsbsc@outlook.com](mailto:Lyndareed.socialsbsc@outlook.com)

## Confidence at Sea

a talk by Mark Chisnell

Friday 17 October at 19.30

Using first-hand stories from the great ocean races and by examining incidents in the 1979 Fastnet Race and 1993 Sydney Hobart Race, Mark will explore the role of confidence, particularly too much of it, at sea, and also in our lives.

Mark is an experienced sailor; including 30 years as a professional navigator working and sailing with 7 Cup teams, most recently Rules Advisor to INEOS Britannia.

He is also an author, sailing commentator and analyst for international major races.

Material for this talk is taken from Mark's recent book, "Knowledge 2.0, staying afloat in the Information Age"
